FREE HP TouchPad Wi-Fi 16GB for
1st FIVE NEW Support Contracts.

Contract must be for a term of at least 1 year, and have an annual purchase price in excess of \$10,000.

Support Contract Management

Atrion Corporation is an Elite Services Partner of Hewlett-Packard. This premier status allows us to provide you the best pricing offered by the manufacturer. When combined with our in-house asset management tools and advance notification guarantees, you'll agree that Atrion is the best choice to manage your IT Support contracts.

Partnering with Atrion will provide a single point of contact for:

Asset Management

- Annual surveys of your IT infrastructure.
- Compliance audit certifications.

Contract Administration

- Consolidate contracts and synchronize expiration dates to benefit your financial strategies.
- Advance notification of expiring warranties, HP Carepacks, and contracts at 90/60/30 days.

Cost Control

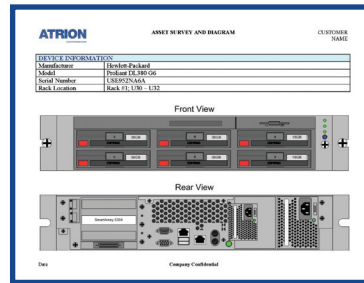

- Notification of end-of service life (EOSL) to discuss alternative means of support, or to make recommendations to refresh to current technologies.
- Provide budgetary quotations to help you plan for your next fiscal year.

About Atrion

Atrion is a leading provider of information technology products and services to both enterprise and SMB clients. We design and integrate unique hardware and software solutions to improve your company's IT infrastructure and empower your business to grow and succeed.

Atrion offers a variety of value added services designed to complement your business strategies, including Server & Storage Virtualization, Storage Area Network Design and Implementation, Enterprise Backup and Recovery, High Availability Solutions, Server Consolidation, Server & Storage Assessments, and Custom Racking and Integration.

Since 1983, Atrion has excelled by providing personal attention to its customers. We build successful relationships that attest to the unsurpassed value of our products and services.

New to Atrion?

Act now to take advantage of this special offer...

Atrion will complete a FREE survey of your servers and storage and return the results to you in the form of a VISIO diagram of your physical devices, and a budgetary support quote.*

*Survey offer limited to 15 devices. VISIO diagrams require an onsite visit by an Atrion engineer, and are therefore limited to customer sites within 50 miles of Atrion's sales offices.

If you would like to hear more about how Atrion Corporation can improve your contract management processes, call Adam Perry at 908.782.4100 x114 or email him at a.perry@atrion.com
